| |
| |
| ailable to sell |

| 1.4 | ACTV LTD aims to achieve a mark-up of 270% but only achieved an actual mark-up of 267%. Give two reasons why their mark-up was not achieved. |
|-----|--|
| | |
| | (2) |
| 1.5 | Chris is concerned that stock has been stolen from him and spends the last weekend of the financial year counting his stock. He finds no board games have been stolen, but counts only 6 005 rings. Calculate how many rings have been stolen. |
| | (2) |
| 1.6 | Both stock items are kept in the same room. Why do you think so many rings were stolen? Give one internal control measure which could be implemented to reduce the theft of rings. This measure should support your reason. |
| | |
| | |
| 1.7 | Due to the theft of stock, Chris is considering changing over to the perpetual inventory system. Would you support his decision? Give one reason to support your answer. |
| | |
| | |
| | (3) |
| 1.8 | Chris sells the majority of his rings through a retailer for R49 per ring. He has subsequently seen his rings selling for R147 in the shops. He owns a website and is considering selling older rings which had been returned to him, directly from this website. He plans to sell rings for R100 each. Is this a good idea? Discuss the ethical implications this may have between Chris, the retailer and customers. |
